BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

G.R.S. III—3]

Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

In regard to the Paper Currency the only law in force here in the State is the Notification of the Govt of India No 6588 7.2.1879. This Notification is applicable only to the Town and Cantonment of Bangalore, and so there is no general Act regulating paper currency in force out of Mysore. Under the Bye-laws Notification of 1879 which has the force of law, Currency Notes issued from the Office of Drawing at Madras only is legal tender for claims

Rupees One rupee and 2½ Rs

Notes are not strictly legal tender for claims against the State or for sums due to the State

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

(1) Strictly speaking the currency notification legal tender in the State outside Bangalore is under the circumstances, it is absolutely necessary to introduce the British Indian Currency Act of 1910 with necessary modifications

(2) If approved, draft Bill will be submitted for approval of the Legislature passed at the Session, so that formal publication of the existing Situation may not be made public. In order.

Subject:-

Introduction of the Indian Paper Currency Act into Mysore

15) The Law at present relating to the circulation of paper currency in Mysore is that contained in the Government of India (Foreign Department) notification No.658 dated 7th Feb.1879.

16) This notification applies only to the Bangalore City. Therefore at present there is no law to recognise the circulation of paper currency in Mysore outside the Bangalore City.

17) Further the new currency notes of the denominations of one rupee and two and a half rupees issued by the Government of India are not covered by the above notification. It is therefore found necessary to replace this notification by a regular enactment having force throughout Mysore and made applicable to all the universal currency notes including the one rupee and the two and a half rupees notes as also the other notes issued by the Madras Circle of issue.

18) The Bill has accordingly been drawn on the basis of the Government of India notification of the 7th February 1879 and has been approved by all the Members.

19) As it is necessary that the Regulation should be passed into law very early and the matter should not be made public till it becomes law, the Government of India's sanction will, if approved, be obtained to pass the Bill as an Emergency Regulation now and then place the Bill before the Legislative

Council

99

Council in the usual course and pass it there regularly.

STATEMENT OF OBJECTS AND REASONS.

The law at present relating to the circulation of Paper Currency in Mysore is that contained in the Government of India (Foreign Department) Notification No. 658 dated 7th February 1879.

This Notification ~~is applicable~~ applies only to the Bangalore City ~~and not elsewhere.~~ - Further the new currency notes of the denominations of one rupee and two and a half - rupees issued by the Government of India are not covered by this notification. It is therefore deemed desirable to replace this notification by a regular enactment having force throughout Mysore and made applicable to all the universal currency notes including the one rupee and the two and a half rupees notes ~~and~~ as also the other notes issued by the Madras Circle of issue. -

The bill has accordingly been drafted.

Penalty for issuing such bills or notes ~~and institution~~.

4. (1) Any person contravening the provisions of section 3 shall, on conviction by a Magistrate of the first class, be punishable with a fine equal to the amount of the bill, hundi, note or engagement in respect whereof the offence is committed.

(2) Every prosecution under this section shall be instituted by a person empowered in this behalf by Government, and all fines imposed may be recovered in the manner prescribed by the Code of Criminal Procedure, 1904.

5. ~~(2)~~ The Notification of the Government of India, Financial Department, No. 658 (Mint and Currency) dated 7th February 1879 is hereby repealed.

STATEMENT OF OBJECTS AND REASONS.

Before the promulgation of the Mysore Paper Currency (Emergency) Regulation, XI of 1918, the law relating to the circulation of Paper Currency in Mysore was that contained in the Government of India (~~Foreign~~ Financial Department) Notification No.658 dated 7th February 1879.

That notification applied only to the Bangalore City, and was inapplicable to the new currency notes of the denominations of one rupee and two and a half rupees ~~subsequently~~ issued by the Government of India. It was therefore found desirable to replace ~~this~~ the said notification by a regular enactment having force throughout Mysore and made applicable to all the universal currency notes including the one rupee and the two and a half rupees notes as also the other notes issued by the Madras circle of issue. As emergent legislation was necessary to legalize the circulation of the currency notes issued by the Government of India, - the Mysore Paper Currency (Emergency) Regulation XI of 1918, was passed into law on ~~5th December~~ 19th Nov 1918. ~~This Regulation will expire on the 4th June 1919; and it is necessary in the meantime~~ hence the necessity to frame a fresh Bill on the same lines with a view to its being placed before the Legislative Council in the regular course.

~~Since the paper currency is issued by the Government of India, it is deemed necessary to~~ prohibit the issue of private bills or notes payable to bearer on demand, an exception being made in the case of cheques

but will have force only for the space of six months from the date of its promulgation in the official Gazette, that is to say, upto the 5th Dec 1918.

2. The date of commencement has been fixed for the day from which the Emergency Regulation will cease to operate.

3. Section 24 of the Indian Paper Currency Act, 1910 (as amended by Act VII of 1923) has been extended to the Province of Mysore by the Mysore Paper Currency Regulation, 1918 (Regulation XI of 1918). That section empowers the Governor General in Council to issue currency notes of the denominations of one rupee and two and a half rupees. It is therefore necessary to amend the Mysore Paper Currency Regulation, 1918 (Regulation XI of 1918) so as to empower the Government of India to issue currency notes of the denominations of one rupee and two and a half rupees in Mysore. The proposed amendment is contained in clause 2 of the Bill.

or drafts drawn on bankers, shroffs or other customers or consignees agents in respect of deposits of money in their hands.
